Experiences

Reebok International » Canton, MA » July 09-July 10

Positions » Footwear Design Apprentice for Men's Classics
Duties » Shoe Design • Ideation • Research • Pattern Revisions •
Story Boards • Tech Packs

"Throughout this year long post-graduate program I was given the responsibility equivalent to that of a full-time designer. Fortunately, I performed well, and by the end of the first season I had nine new uppers that were chosen to be inline."

Camuto Group » Greenwich, CT » August 08-January 09

Positions » Intern and then hired as Freelance Designer
Duties » Shoe Design • Ideation • Illustrator Line Art • Tech Packs

"After a month long internship with Alex Marie™, I was asked to continue to do freelance work via e-mail while I attended school."

100 Styles and Running » Owings Mills, MD » May 08-January 09

Position » Intern and then hired as Freelance Designer
Duties » Shoe Design • Ideation • Illustrator Line Art • Tech Packs

"Chad and Evan Birenbaum of 100 Styles and Running™ taught me an abundance of information about not only footwear design, but also running a small, start-up boutique footwear brand."

Clear and Simple Stamps » Gaithersburg, MD » May 08-Present

Positions » Graphic Designer
Duties » Ideation • Stamp Design • Illustrator Line Art

"As the sole graphic designer at Clear and Simple Stamps, I am responsible for the majority of character and stamp designs."
